Explanatory Note

“October 19, 2015” has been changed to “November 9, 2015” as the date that the Company became a sole member of Golden Steps, LLC and when the LLC entered into a Profit Sharing Agreement with Shenzhen CITC. There was a clerical error in the original filing on November 13, 2015.

Item 1.01 Entry into a Material Definitive Agreement

On or about November 9, 2015, Oro East Mining, Inc. (“Company”) became the sole member of Golden Steps, LLC, with Tian Q, Chen, the Chief Executive Officer of the Company serving as the managing member for Golden Steps, LLC (“the LLC”). The LLC has entered into collaborations with Shenzhen Citic International Travel Co. Ltd. (“Shenzhen CITC”), a Chinese limited liability company, a business specializing in international sightseeing tours for Chinese nationals, to set up a tourist attraction along Route 49 in California, including Company held mine sites, to offer tourists a view of the history and legacy of California gold mining (“49er Historical Gold Rush Tour”). The 49er Historical Gold Rush Tour will stop at Company held mine sites as members of the Company provide historic information about the Chinese American experience during the California Gold Rush in the 1800s.

The LLC and Shenzhen CITC entered into a Profit Sharing Agreement on November 9, 2015 to memorialize the collaboration. The LLC will have secured rights from the Company to enter certain secured areas of the Company’s mine sites. At this time the projected aim is to develop certain unused areas of the sites that can be used to house tourists, build recreation centers, or cultural museums in furtherance of the 49er Historical Gold Rush Tour collaboration.
